

REACH STATEMENT OF COMPLIANCE OF PRODUCTS SUPPLIED TO SIAE MICROELETTRONICA

REACH - Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) is a European Union regulation dated 18 December 2006 subsequent modifications and additions addresses the production and use of chemical substances, and their potential impacts on both human health and the environment.

Suppliers are required to provide information about the presence of:

- SVHC (Substances of Very High Concern) included in the “Candidate List”
- Articles (Regulation 1907/2006, Title II, Chapter 1, Article 7)

contained, if any, in the Products supplied to SIAE MICROELETTRONICA.

The latest version of REACH Candidate List, available on the ECHA (European Chemical Agency) website <http://echa.europa.eu/it/candidate-list-table>.

Any variation occurring concerning the presence of “Candidate List” in the products supplied shall be promptly communicated to SIAE MICROELETTRONICA via standard PCN procedure or adequate means.
